

IMMANUEL LUTHERAN SCHOOL - PLAINVIEW, MN

March 10th, 2021

Dear Business Friend of Immanuel Lutheran School,

Good News! ILS has been able to be open continuously and has been providing Christian based teaching to our enrolled PreK-8th grade students since last fall without any interruption. We so are proud of our staff and students! Now more than ever, we're so grateful for the community that has donated, volunteered, celebrated, and advocated for ILS through the years.

More Good News! We are preparing for our Annual Fish Fry and Auction! This event, open to the entire community is our school's primary fundraiser and helps our school provide for para services, new curriculums, technology upgrades and special educational events.

Last year we unfortunately had to postpone this event. It will look a little different this year: previously we held not only the fish fry but both silent and live auctions on the same night. **This year we will be having the fish fry at the Plainview American Legion on Friday, April 16th.** For meals this year we will have take-out, drive thru and limited seating available. The biggest change this year is that our auction will a separate event as an **online auction that will run April 17th -27th through Flies Auction Services.**

We know that with the Covid pandemic it has been a struggle for our community businesses and families. We are hoping that we can still highlight our local businesses through donations of gift cards, services, events, on social media and that we can still obtain some fun and desirable donations to excite auction bidders.

Enclosed, you will find a donation form on the back of this page and flyer. If you would consider a donation and/or hanging the flyer in a public or prominent location, we would greatly appreciate it.

On behalf of all of us Immanuel Lutheran School and Fish Fry Committee, thank you for being a part of our community. We wish you and your family health, safety, and happiness and want you to know that together we can overcome all things.
