**Youth Event!** Our Savior's, Eyota welcomes all youth and families to a special Spring fellowship event. This is meant to provide an opportunity to get to know youth and families in the area who share the same faith and values. Only LCMS congregations are invited. As our children grow older, we would hope that these continued events will provide them peers and relationships that encourage them to remain steadfast in their faith and also provide them an opportunity to encourage the faith of fellow believers. RSVP to Kim Feils by emailing [feils.kimberly@mayo.edu](mailto:feils.kimberly@mayo.edu) by April 28.

When: Saturday, May 8th, 4:00pm-8:00pm

Where: Our Savior's Lutheran Church, 770 Robert Ave SW, Eyota, MN 55934

What: Fellowship, kickball, supper (hamburger), and fun way to get to know youth/families from other area churches.

Why: We want to give our students and families a chance to get to know others in the area in the faith.

**Quilting** on Tuesday afternoons is done for the year with 60 quilts in the closet. There will be a Quilt Blessing during the services on April 18<sup>th</sup>. Several kits of blocks to sew for next winter are available for anyone interested. Thank you all for your time and talent. This is a lot of quilts!

**Viewing days for online auction items** There will be two days during the online auctions when the Fish Fry Auction items can be viewed in person at Immanuel Lutheran School. Those days are April 22nd from 2 p.m. until 7 p.m. and April 24th from 9 a.m. until 2 p.m. Come take a look!

The Consignment online auction is going to start on April 17 and end on April 27. We strongly advise you to view an online auction and learn how to bid. There are two auctions coming up on HiBid.com (this is the website Plain-View Online Auctions uses to host their auctions) that you can watch and participate in. One is under Plain-View Online Auctions, which closes on Tuesday, April 13, and the other is under Graves Auctions, which closes tonight, April 11. These auctions are very fun and fast paced at the end, so a little practice ahead of time will save a lot of frustration when you are bidding at Immanuel's auction! You will need to register to bid which

requires a credit card (but you don't have to pay with a C.C., we prefer cash and checks in payment for your items). Between the consignment auction and the fish fry auction, we will have between 250 and 300 items! It will be a great auction!

**Organ Project background:** Arthur and Maxine Vogt were faithful members of Immanuel Lutheran Church. Art died in October 2008, and upon Maxine's passing in May 2018, the estate went to her children, Diane and Jim. Once the estate matters settled, Diane and Jim and their spouses desired to give a gift to Immanuel in memory of their parents and the joy their church gave them in knowing Christ and singing His praises. A gift was designated to provide organ repairs that were needed on the instrument that was wearing out. The project evolved when the organ builder, Mr. Roland Rutz, secured an organ from Carleton College in Northfield, MN that was being decommissioned. For the same cost, Mr. Rutz offered to install this replacement organ which would have more options and better technology than what he could do with our old organ. We give glory to God and thank Him for the Vogt family gifts and the talents of Mr. Rutz that have provided this replacement organ to adorn our worship of God with beautiful music!
