

Immanuel Lutheran School News and Notes

National Lutheran Schools Week begins January 23, 2022. National Lutheran Schools Week provides our school the public opportunity to proclaim and celebrate God's work among us in schools of The Lutheran Church—Missouri Synod. We thank God for the opportunity to provide excellent academic preparation for the children we serve. We are most grateful for the opportunity to share Jesus' amazing love with children and their families. National Lutheran Schools Week gives us an opportunity to proclaim these great blessings in our community and church. Immanuel Lutheran School provides a faith-based education with many opportunities to expand our students' education beyond the classroom.

WHAT'S HAPPENING in CLASS!

- *5th & 6th graders are spending time in History learning about the lives and ways of the Ojibwe and Dakota people of Minnesota.
- *Kindergarteners are working toward reading 3-letter words by knowing all their letters and sounds. They are also studying their "teen and beyond numbers". Next month, Kindergarten will be celebrating the "100th Day of School"!

The students and staff of Immanuel Lutheran School would like to thank the Immanuel Lutheran congregation for your spiritual and financial support throughout the year. During National Lutheran Schools Week we are even more aware how God has greatly blessed us that we are part of the Immanuel Lutheran "family". We are all very grateful to you, and wish you a new year filled with happiness and blessings from our Lord and Savior, Jesus Christ!
