Be creative and have fun. Please submit your logo to the church office, or a committee member, by June 1 of this year. Contact any committee member with any questions.

Disaster Response Survey - Are you interested in helping a community recover after a natural disaster and showing the love of Christ to people in need? Have you ever volunteered for a Lutheran Early Response Team (LERT)? Your opinion can help LCMS Disaster Response and Training improve its organization and training of LERT volunteers so that they are ready to deploy when a natural disaster strikes. Please take a brief survey at lcms.org/lert-survey-congregation and let us know how you think we can improve LERT training and provide relief more effectively to natural disasters.
