

Confirmation Class - Sermon Summary

Revised 12/1/2025

Name: _____

Date: _____

This is an exercise in studying God's Word and applying it to your life today. You have learned how God speaks to us through His Word in terms of Law and Gospel. The Holy Spirit uses God's Word to convict us of sin, lead us to repentance, and assure us of our forgiveness won for us by Christ Jesus. By God's grace, we live a new life that flows from His love and lives according to His will.

Instructions:

1. For a given Sunday or Wednesday Advent/Lent service, record the sermon items below (found in the bulletin).
2. Study the Word and listen to Pastor's sermon to note how the text uses Law (shows our sins), Gospel (shows our Savior or God's grace).
